

SUPPORTING LEARNING AT HOME

You have access to high-quality, premium online resources to help you and your K-12 student continue learning. These are trustworthy information sources not available for free on the Internet.

These resources are available to all public libraries in Utah.

- Go to onlinelibrary.utah.gov or the library's website wasatchlibrary.org
- Most of these sources use "geolocation" to authenticate you as a library user in Utah. But some may ask for your 14-digit library card number and your PIN.
- Some **K-12 EDUCATIONAL** resources include:
 - [Biography Reference Center](#) – A comprehensive collection of biographies on notable personalities.
